

RESIDENCE #815

Building A

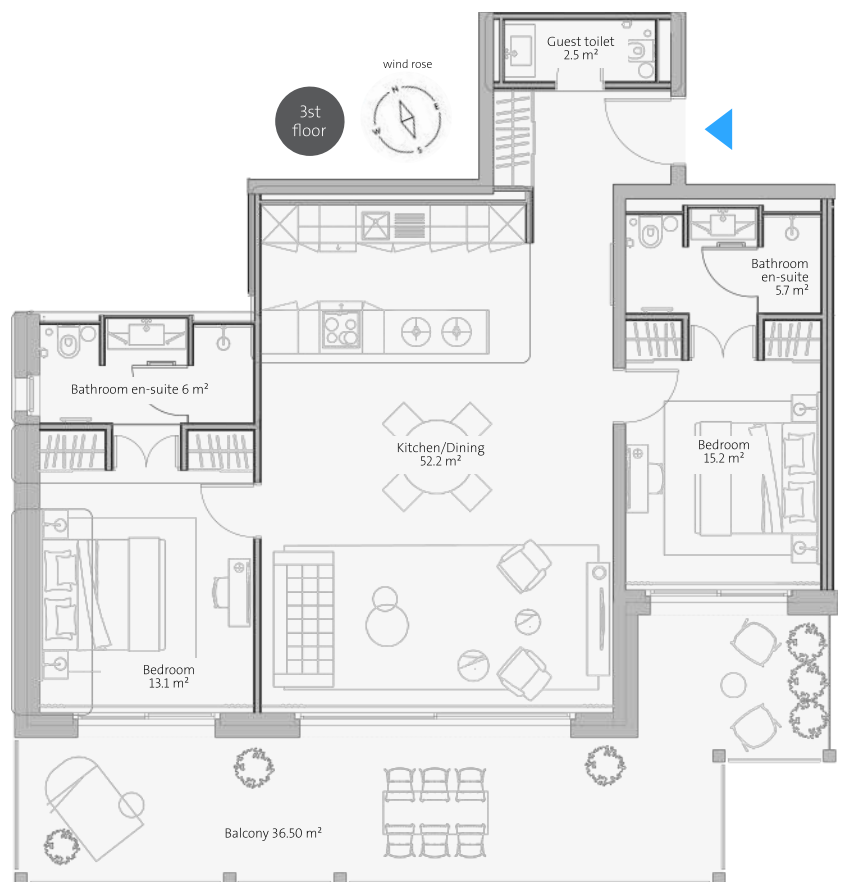

Residence #815

This wonderfully cosy new apartment style, featuring two master bedrooms, will soon be ready to open its doors to new visitors. Each bedroom comes complete with an en-suite bathroom to maximise your comfort. A compact guest toilet and a spacious living room in the centre are connected to the kitchen. There is also a kitchen island there, suitable for people who are looking for an extraordinary centrepiece. The bedrooms are thoughtfully located on the sides of the living room, so you will not interfere in each other's private space, providing space to spend time on your own. A spacious balcony of 36.5 sq.m is fully furnished and accessible from each bedroom and the living room. It has outdoor furniture to meet your every need, from dining to relaxation.
