- Very close to the historical Enge train station
- Central and yet in a quite corner
- Easy access to all parts of Zurich
- Very close to the lake
- The world famous FIFA museum right across the street
- Premium and modern furniture

Wille 1 is a spacious and bright two bedroom apartment on the left side of Lake Zurich. The general atmosphere of the flat in combination with its high-quality furniture offer a cosy and practical home. The tram station Rentenanstalt and the historical train station Enge with connections to all parts of Zurich are right at the door. But the icing on the cake is indeed the fact that it takes only a couple of minutes of walking through a lovely park to reach the lake.
